Record Registration Form for Foreign Operators

Report Number: QIP-ASI189630 Audit Date : 15 Jan,2019

This report is issued by Focus Technology Co., Ltd. (Made-in-China.com) and the supervising inspectorate (SGS-CSTC Standards Technical Services Co., Ltd.) to confirm that:

Company Name : Henan Excellent Machinery Co., Ltd.
 河南埃科森特机械设备有限公司

Showroom : <http://exctmach.com>

Address : Floor 7, Building 3, Fenghuaguoji, the Intersection of Muye and Xiangyang Road, Xinxiang, Henan, China

Product : Vibrating Screen, Bucket Elevator, Conveyor Idler

has been on site audited for the Following Scope of Activity

1. General Information
2. Foreign Trade Capacity
3. Working Environment
4. Energy Saving and Emission Reduction
5. Photos

General Comments:

Henan Excellent Machinery Co., Ltd. is a supplier, it was established in 2018, located in Floor 7, Building 3, Fenghuaguoji, the Intersection of Muye and Xiangyang Road, Xinxiang, Henan, China. The offices occupy an area of 40 square meters. Henan Excellent Machinery Co., Ltd. has successful foreign trading experience in Australia and Africa.

WHY CHOOSE EXCT

- EXCT has an experienced engineering and technical team and a perfect production management system to provide scientific and reasonable bulk material handling solutions for customers around the world.

- ☑ EXCT maintains long-term cooperation with many universities and design institutes in China and it is committed to the research of advanced bulk material handling technology in the world, ensuring that our products remain at the leading level in the industry.
- ☑ EXCT not only has advanced processing equipment but also has a large number of experienced technical workers to ensure the reliability of product quality.

- ☑ EXCT has advanced testing equipment and professional quality inspection engineers to monitor the whole process of production to ensure that each process of products meets the quality requirements.
- ☑ EXCT's after-sales service team can quickly respond to the needs of end-users, not only providing equipment installation and commissioning services but also training operators to ensure the long-term stable operation of customers' equipment to achieve maximum economic benefits.
- ☑ EXCT has a complete product management system and sufficient spare parts inventory to quickly provide spare parts to end-users reducing equipment maintenance and downtime.
- ☑ EXCT equipment has served more than 2,000 customers in more than 60 countries.
